

# DH-XVR1A04/08

4/8 Channel Penta-brid 1080N/720P Cooper 1U Digital Video Recorder

- · H.264 video compression
- · Supports HDCVI/AHD/TVI/CVBS/IP video inputs
- $\cdot$  Max 5/10 channels IP camera inputs, each channel up to
- 2MP/5MP; Max 20/40Mbps Incoming Bandwidth
- · Long transmission distance over coax cable
- · Supports 1 SATA HDD, up to 6TB

#### System Overview

Dahua, as a technology leader, is always the first ever developed the shining new technology in the security industry ,and today we present Cooper Series XVR. Designed as a full compatibility product, XVR is able to provide end user the simplicity of analog system, namely lower system cost, simple installation and use of existing cable. It is ideal for a wide range of civil applications such as retail store, home protection and so on.

Featuring high performance with attractive costs, the Cooper Series offers a great solution for users facing budget constraints who both require quality and performance.

#### Functions

#### HDCVI/AHD/TVI/CVBS/IP Auto-detect

The XVR can auto recognize the signal of front-camera without any setting. It makes operation more friendly and convenient.

#### **IPC** Input Supported

The XVR1A04 supports up to 2MP IPC input, and XVR1A08 supports up to 5MP IPC input.

#### Coaxial Audio/Upgrade/Alarm

The integrated design can reduce wiring troubles which makes it much more cost-effective and convenient for installation.

#### Long Distance Transmission

The HDCVI system supports long distance transmission over coaxial cable and UTP, max. 800m for 1080P and 1200m for 720P.

#### Smart Search

This function helps you get more motion detect video during a short time through drawing a region when playback. It is very useful when an emergency occurs.

#### Perfect Image Quality

High performance chip provides perfect image quality with better color reproduction.

#### P2P

Monitor at anytime and anywhere. Easily and conveniently mange the device.
